**Funky Hair Friday** – Annual fund raising event for the Leukaemia Foundation
We are looking forward to having a great day next Friday. We have a supply of hair chalk and hair spray. Students are encouraged to come along with coloured or funky/crazy hair styles. Students may wear casual clothes in exchange for a donation to the Leukaemia Foundation.

**CPR Training**
Parents and community members are invited to come along to a CPR Training afternoon, led by an instructor from The Royal Life Saving Society. The cost will be approximately $30 which includes certificates. Several parents joined us a few years ago and found it very beneficial and reassuring to know they had the most up to date knowledge and skills around CPR and emergency care. Please phone the school to secure a place.

**Message from the Principal**
We are very fortunate to have Miss Tracy-Lee Mangel from Southern Cross University joining us at school for her 4th and final practicum during term 1 & 2. Please find a letter of introduction attached to the is newsletter.
This is always a great opportunity for the students to experience a young and motivated new teacher who has chosen this important career for future generations. Miss Mangel and I look forward to sharing and exchanging skills and knowledge.

**IPad tokens**
We are making great progress filling our thermometer. Many thanks for your support. Please keep collecting from everyone you can think of.

**CLASS – Yrs. 3-6 Dorroughby Education Centre**
Thursday 10 & Friday 11 April (last 2 days of term 1)
Students from Manifold, Rappville, Ellangowan and Stratheden will also be attending. Students will be participating in science and peer building activities.
Cost $45. More information to follow
