Message from the Principal

Stage 3 CLASS Team Building Day – Ballina Light House Beach
Unfortunately due to the weather prediction for the next 5 days we have decided to postpone Friday’s excursion. We will attempt to reschedule a little later.

Head Lice
As the warm weather sets in I ask parents to be vigilant and check your child’s hair each week.
If head lice are found please treat immediately with appropriate products and wash all bed linens. Please communicate with the school if head lice are found so we can all work together to regularly check and manage any outbreaks

Regards
Kerin Lawrence

Head Lice
As the warm weather sets in I ask parents to be vigilant and check your child’s hair each week.

If you would like to try a non-chemical treatment this has been highly recommended by an experienced hairdresser.

- Generously coat hair in coconut oil and leave to sit for at least 30 mins. This will kill any live lice.
- To rinse, rinse with pure apple cider vinegar. This will remove the dead lice and some eggs.
- Comb thoroughly with a commercial head lice comb (found in head lice packets from chemist).
- Tumble dry or expose all bedding to the sun

President /Vice President / Treasurer / Secretary / Fundraiser.
Everyone is welcome and be part of our great school!

Cheers,
Tracy Codrington.
P&C President

**Student Injury Insurance**
The P&C pay a student injury insurance levy which covers injury of your child. It is required that all students are covered.
Please read the information provided. We ask that you please return the $4.85 per child to the P&C in the envelope provided.

Due: Friday 27 February

---

**Music with Mrs Martin**
Our primary class have been very busy learning how to restring and tune our guitars, before the lessons on how to play them begin.

The K-2 students are having a wonderful time dancing singing and learning to play the recorder.
