**Message from the Principal**

**Mummulgum Community Playgroup**
Our playgroup will be meeting on Thursday mornings 9:15 – 11:15am for 2015. We are extremely fortunate to have Mrs Eyvonne Clarke as a staff member of Mummulgum PS. Mrs Clarke has more than 20 years of Early Childhood experience. She is very excited to be involved in our Playgroup and assist with providing creative and stimulating experiences for our youngsters.

I ask parents to please pass on this information on to families who have children aged 0-5yrs.

**Head Lice**
Thank you to parents and carers who are checking their child’s and other family members’ hair each week and acting promptly.
I have a bottle of each of the apple cider vinegar and the coconut oil available if parents would like to try this alternative treatment.

Regards
Kerin Lawrence

**P&C News:**
The Mummulgum community and school has been invited to attend the “Lions West of the Range Festival” May 2nd at Bonalbo Show Grounds. The organisers are wanting to showcase and promote the local villages in the area. Instead of holding our Autumn Fete on our own the festival could be a chance to promote our school and community to a wider audience. Please see the attached flyer (or have a look on facebook) and we can discuss what we can do at the next P&C meeting.

**Head Lice**
If you would like to try a non-chemical treatment this has been highly recommended by an experienced hairdresser.
- Generously coat hair in coconut oil and leave to sit for at least 30 mins. This will kill any live lice.
- To rinse, rinse with pure apple cider vinegar. This will remove the dead lice and some eggs.
- Comb thoroughly with a commercial head lice comb (found in head lice packets from chemist).
- Tumble dry or expose all bedding to the sun.
